Case No.: 08 CV 03518 (GBD)

Dear Judge Daniels:

We represent defendants in the above-captioned case in which the initial pre-trial conference is scheduled for tomorrow at 9:30 a.m. Plaintiff's attorney, Jacob Shisha, telephoned us this afternoon from an out-of-town mediation to advise us of the conference. This firm was recently assigned to defend the case and understand settlement discussions were undertaken prior to the filing of the Complaint. Mr. Shisha and I have discussed the case in general terms, although I have not yet received the defendants' claim file, nor have I been able to file an answer on defendants' behalf.

We, Mr. Shisha and I, therefore jointly request tomorrow's pre-trial conference be adjourned for two weeks so we can on defendants' behalf enter an Answer and otherwise be better prepared for the conference.

Very truly yours,

Kenny, Stearns & Zonghetti, LLC
